Carriage Charges.

Dear Customer,

Due to the increased charges that we are receiving from freight companies, we are forced to implement a new carriage tariff. (See below.)

This will result in an improved quality of delivery service and also an improved delivery time.

Up to 30kg (Approx 100 activity packs)	£6
Up to 60kg (Approx 200 activity packs)	£12
Up to 90kg (Approx 300 activity packs)	£18
Up to 120kg (Approx 400 activity packs)	£24

All prices quoted are subject to VAT of 20%.

Orders over 120kg

Orders that are over 120kg (but under the 20 carton carriage paid minimum), will be classed as a pallet and therefore charged at a fixed rate of £30.

If customers wish to arrange their own collection via a third party, please inform us at the time of ordering and we will make sure the goods are available for collection at a time to suit all parties.

Kind regards

Jonathan Newman
